

International Permafrost Association

IPA Action Group Application 2021

Title of proposed Action Group:

Provide a short and descriptive title for the Action Group.

Action Group Contact:

Name, email, telephone number, title/position, and institution/affiliation.

Objectives and scope of the Action Group:

Provide a description of the project in less than 750 words. Keep the background section brief and focus on the definition of clear and targeted objectives. This section will be used to advertise your project to IPA members and the wider public, so please ensure that you address the following points:

- a) Why is this activity significant and how does it relate to the objectives of the IPA?
- b) Who will undertake the project and what steps will be taken to ensure the objectives are met?
- c) How will it benefit IPA members, the scientific or engineering communities, policymakers, or the general public?

Timeline:

Include the major milestones of the project as well as the dates envisioned for the delivery of products. Please note that Action Groups can be proposed for a duration of one or two years. This call is intended for Action Groups operating in 2022 and 2023.

Deliverables:

List the deliverables of the project in less than 250 words. Try to provide a realistic view of what can be achieved within the time span of the Action Group and include education and outreach deliverables.

EXECUTIVE COMMITTEE

President:

Prof. Christopher Burn

Vice-Presidents:

Dr. Isabelle Gärtner-Roer

Dr. Gonçalo Vieira

Members:

Dr. Kjersti Gisnås

Prof. Michael Krautblatter

Prof. Yuangming Lai

Prof. Frederick "Fritz" Nelson

INTERNATIONAL SECRETARIAT

Executive Director:

Emma Stockton

Carleton University

Dept. Geography & Environmental Studies

1125 Colonel By Dr.

Ottawa, ON, Canada

www.permafrost.org

Other Action Group Members:

List the names of the individuals to be involved in the Action Group. Include their name, email, title/position, and institution/affiliation. Try to provide a size realistically adapted to the size of the project. The individuals making up the Action Group should stem from at least three different IPA member countries. Explain how internationality and involvement of young researchers (PYRN) will be taken into account when allocation of funds is decided.

International dimension:

The IPA is associated with several other international organizations (these can be viewed at <https://www.permafrost.org/partnerships/>) and encourages collaborative activities. Please indicate here if there are ties with other organizations and the nature of the collaboration in less than 250 words. Also indicate if you will collaborate with other IPA Action Groups or Standing Committees (<https://www.permafrost.org/activities/>).

Budget:

Provide a short description of the budget and the amount requested from the IPA (max. 2500 € per year; max. 5000 € over two-years). Mention other funding sources, even if not confirmed yet. If funding is awarded from the IPA, only the first year's budget will be confirmed. Awards in subsequent years will be made subject to receipt of an acceptable progress report from the Action Group and in relation to the IPA's priorities and financial status.

Secretarial support:

Will the Action Group need secretarial support from the IPA in the form of organization of conference calls, production of documents, etc. Please describe the level of support requested in less than 250 words.

Please email a PDF with the above fields completed to the IPA Secretariat (contact@ipa-permafrost.org). Applications must be submitted on or before November 30, 2021.
